PROFESSIONAL SUMMARY

Senior Tourism Guidance student combining hospitality operations with hands-on creative work: menu and guest-experience design, AI-assisted visuals, photo editing, and short-form video. Comfortable with prompt engineering, AI image/model generation, Lightroom, CapCut, and basic graphic tools. Seeking remote or part-time roles in creative production, content design, AI-assisted workflows, or brand/visual support — not limited to customer support. Brings multilingual communication (EN/RU/TR), fast execution under pressure, and a design-minded approach from real guest-facing environments.

EXPERIENCE

Guest Experience & Menu Design

Jun – Jul 2026

Signature Blue Resort · Kuşadası

- Designed the hotel bar menu for the season, shaping drink offerings as a coherent visual and guest-experience concept.
- Created a signature cocktail as a brand/visual identity element, strengthening recognition and guest engagement at the bar.
- Supported peak-hour service with a design-minded eye for presentation and guest flow; further details via professional references.

Operations & Guest Relations

Jun – Sep 2024

Ephesia Holiday Hotel · Kuşadası

- Owned a full hotel-bar season with substantial operational responsibility, frequently running service largely independently.
- Handled guest issues and service pressure with practical crisis management, keeping high-volume guest flow moving smoothly.
- Built speed, accuracy, and workflow discipline through continuous peak-season guest interaction.

Bar Operations & Guest Service

May – Sep 2023

Kaset Pub · Manisa

- Began first bar role and built core operations, drink preparation, and guest-service fundamentals.
- Developed mixology habits and hospitality foundations that enabled later hotel positions.
- Supported busy pub service through teamwork, time management, and attentive guest interaction.
